

THE TEAM

HENRY SWANEPOEL
CFO

Henry is a Chartered Accountant (CA(SA)) with a Masters in Taxation and an MBA graduate with over 15 years of experience in Finance over multiple types of industries with in-depth knowledge and experience of accounting principles, strategic financial management, business process management, financial reporting, strategy, budgeting and forecasting as well as mergers and acquisitions.

Henry is currently the Group Chief Financial Officer (CFO) of Netsurit, a Global IT Managed Services Provider and the CFO of Fraxeum an Innovative launchpad for Fintech startups.

Henry's interests lie in Blockchain Technology especially the way that Distributed Ledger Technology and Digital Assets will change the face of Finance as we know it, as well as Mergers & Acquisitions and has been involved in numerous opportunities both local and internationally.
